

# HIGH SCHOOL LANDSCAPES

---

## INSTRUCTIONS

This booklet consists of photographs of high school landscapes.. The photographs were taken in various high schools in Illinois. We used a computer to modify some of these pictures in order to show how thee high school campuses might look if we added more trees, shrubs and rain gardens.

Please take a look at the photos. It is not necessary to study these pictures in depth. Then give us your reaction. How much do you approve of the landscapes in each photo?
